Anaesthetic Nurse/ODP for Day Surgery Unit

Band 5

Kingston Hospital NHS Foundation Trust is a district general hospital based approximately 12 miles from central London. The hospital is situated in a beautiful and historic part of the country and lies very close to Richmond Park, Hampton Court Palace and Kew Gardens. The hospital supports around 350,000 people in the surrounding area from the boroughs of Kingston, Richmond, Roehampton, Putney, Merton and East Elmbridge.

We have approximately 520 beds and directly employ around 2,700 staff, with another 300 staff employed by contractors but working on behalf of the Trust. We are located on a single site in Kingston upon Thames, but run a number of outpatient clinics in sites across our catchment area including Raynes Park Health Centre, Surbiton Centre for Health, Queen Mary's Roehampton and Teddington Memorial Hospital.

We provide a full range of diagnostic and treatment services and have a national reputation for innovative developments in healthcare, particularly in 'patient-focused' care, day surgery and maternity services.

Band 5- Anaesthetic Nurse/ Operating Department Practitioner for Anaesthetics

We are looking to recruit an enthusiastic Anaesthetic Practitioner to join our exciting team of Anaesthetic, Recovery and Scrub staff within our Main Theatres.

Kingston Hospital has 4 theatres in our purpose built Day Surgery Unit and 8 in-patient theatres in the Main theatre suite, and both areas are supported by well-

equipped Post Anaesthetic Care Units. Specialities covered are Breast Surgery, Upper GI, Colorectal, Urology, Gynae, Plastics, Elective Orthopaedics, Trauma, Eyes, Paediatrics and a Pain service. We have a dedicated 24 hour Emergency Theatre in Main Theatre.

We welcome applications from qualified Anaesthetic Nurses and ODPs with relevant experience looking for a new challenge, with the added opportunity for enhancement of clinical skills.

The department offers an excellent opportunity for staff to gain experience in all specialties. However only staff nurses with an anaesthetic course can work within anaesthetics.

We are a family friendly unit offering flexible working opportunities. Kingston offers great network to Central London and other areas. Kingston centre has excellent leisure opportunities ranging from museums, cinema, shops, restaurants and bars by the Thames River.
